Highlighting and rewarding  
the best practice in learning  
and teaching innovation  
within our organisation!

To all members of staff...

Are you using e-learning to  
engage your students?

Are you supporting any  
aspect of our delivery,  
administration or support  
with technology?

Are you helping to increase  
our levels of e-maturity?

Whether an old hand or  
enthusiastic newcomer to  
the world of Information  
Learning Technology (ILT)...  
don't keep it to yourself!

Enter Abingdon and Witney  
College's  
Hi5 eLearning Awards  
competition and help us to  
celebrate and reward you for  
raising the level of ILT within  
our own organisation.
